18 September 2026

SINGAPORE, Sept. 18, 2026 (GLOBE NEWSWIRE) -- Delixy Holdings Limited (NASDAQ: DLXY) ("DLXY" or "we," "our," or the "Company"), a Singapore-based company engaged in the trading of oil-related products, today announced that on August 12, 2026, its board of directors approved a reverse split of its Class A ordinary shares, par value US\$0.000005 each (the "Class A Ordinary Shares"), and Class B ordinary shares, par value US\$0.000005 each (the "Class B Ordinary Shares," and together with the Class A Ordinary Shares, the "Ordinary Shares"), on a one-for-five basis (the "Reverse Share Split"). The Company's Class A Ordinary Shares will begin trading on the Nasdaq Stock Market LLC ("Nasdaq") on a post-split basis on September 28, 2026 under the symbol "DLXY" under a new CUSIP number – G2703G 111.

As a result of the Reverse Share Split, each five (5) issued and outstanding Class A Ordinary Shares will be combined into one (1) Class A Ordinary Share, and each five (5) issued and outstanding Class B Ordinary Shares will be combined into one (1) Class B Ordinary Share, automatically and without any action by shareholders. The Reverse Share Split will result in a proportional increase in par value from US\$0.000005 per share to US\$0.000025 per share and an adjustment of the Company's authorized share capital (which remains unchanged at US\$2,500) to 90,000,000 Class A Ordinary Shares and 10,000,000 Class B Ordinary Shares, each with a par value of US\$0.000025. After giving effect to the Reverse Share Split, the Company expects to have approximately 1,434,800 Class A Ordinary Shares and 1,835,200 Class B Ordinary Shares issued and outstanding. The Reverse Share Split is intended to increase the market price per share of the Company's Ordinary Shares to allow the Company to maintain its Nasdaq listing.

No fractional shares will be issued as a result of the Reverse Share Split. Shareholders who would be entitled to a fractional share as a result of the Reverse Share Split shall have their entitlement rounded up to the nearest whole share.

The Reverse Share Split was authorized by the Company's shareholders at the general meeting held on February 23, 2026, at which the shareholders approved the consolidation of the Company's Ordinary Shares within a specified range and authorized the board of directors to determine the final ratio, which the board fixed at one-for-five on August 12, 2026.

Transshare Corporation, the Company's transfer agent, will act as the exchange agent for the Reverse Share Split. Ordinary Shares held in book-entry form or through a bank, broker or other nominee will be adjusted automatically to give effect to the Reverse Share Split, and no action is required by those shareholders. Registered shareholders holding physical share certificates may (but are not required to) surrender their certificates to the transfer agent for reissuance in the post-split amount.
